Hey Paul,

If you're looking for a place to start with regard to Jose's absence from the club, here is a small selection of dates from right around when I was issued the June ROD. I mentioned Jose's lateness and absences in my employee response on that ROD, and in my termination ROD. Somehow he has been allowed to retaliate but having me fired.

The time Jose was supposed to start according to the monthly management schedule, and the times he actually checked in are noted. You might also consider speaking to Raj Ahluwalia and Cheyenne Lemasters about his absence from the club:

7/15 8 am, actual check-in 859

7/14 9 am, actual check-in 914

7/13 9 am, actual check-in 955

7/12 9 am, actual check-in 928

7/8 8 am, actual check-in 841

7/4 9 am, actual check-in 936

6/25 9 am, actual check-in 941

6/24 8 am, actual check-in 911

6/22 9 am, actual check-in 947

6/18 9 am, actual check-in 920

6/19 9 am, actual check-in 943
